Presented by: **OVERTON Safety Training, Inc.**

This class will prepare your employees to operate Potain self-erecting cranes.

A combination of classroom and actual hands-on lessons, this one-day seminar will qualify your operators to erect, use, and dismantle the models of Potain self-erecting cranes offered for rent and sale by Coast Crane of Washington.

All participants will receive \$150 off any of our 2009 NCCCO Tower Crane prep classes they choose to attend, and will remain qualified through December 31, 2009.
